How did you hear about our school? \_\_\_\_\_

Applicants are recorded in the order in which they are received by the school. Letters offering placement will be sent after our current families are placed. To accept a placement, a deposit will be due to hold the space for your child.

If we do not have a place for an applicant, a letter will be sent to you informing you that your child has been put on the waiting list. Your application will automatically be held on the waiting list for that school year. If an opening occurs, you will be contacted by phone and offered a place. If we are unable to enroll your child the year for which you have applied, you must reapply for admission for the following year during the application process. Tuition fees are payable in June, November and February.

**We endeavor to create a warm, accepting atmosphere in which each child feels secure and ready to explore. Therefore, we ask that you make us aware of any developmental concerns, delays, or diagnosed disabilities when you apply. In the best interest of your child we want to make sure that it will be possible to make necessary accommodations. Describe here:**
